

“Give Liberty a Hand” Sponsorship Proposal

MIRA’s mission “to convene, serve, and organize together with our members, community leaders, and allies for the advancement of all immigrants across the Commonwealth and beyond,” means that collaboration with partners like you is more important than ever. With your sponsorship this year, we endeavor to secure \$350,000 in order to build MIRA’s impactful statewide programs that serve the needs of our immigrant communities.

We are all in this together

Massachusetts is home to nearly 1.2 million immigrants from around the world, whose contributions are a major source of cultural and economic vitality, and beautify the social fabric of our communities. They are our doctors and nurses, executives and professionals, laborers, caretakers, drivers and more. Despite their essential contributions, they face sometimes insurmountable obstacles and hostile policies that divide families, sow fear, and prevent smart, enterprising people from using their full talents to strengthen our Commonwealth.

Advocating for Inclusion and Prosperity for all

MIRA continues to be a leader in advocating for policies that foster economic integration of foreign-born talent and sustained prosperity for all. When we commit to advocating together for a 21st-century immigration system that provides American organizations with the broad range of talent they need and facilitate the inclusion of immigrants into our economy, we all win.

Ensuring well-being and advancement of our communities

Building on the momentum of 2022, MIRA rolled out an ambitious legislative agenda which, if enacted, will improve healthcare delivery for underserved residents of the Commonwealth, expand comprehensive MassHealth coverage to children and young adults, ensure that all MA high school graduates have access to in-state tuition, and ensure that state agencies provide public information and services in languages other than English, as required by federal law.

Your leadership means everything to immigrant communities

When you make a strategic investment in MIRA’s advocacy work, together we send a powerful message to immigrant communities — that we believe in their potential and are committed to safe, prosperous communities with opportunities to thrive here. And our legislators will know that we intend to build and succeed together.

Celebrating immigrants & the Sponsors who support our Mission

MIRA has long celebrated an impressive line-up of partners and longstanding business champions within our expansive networks, publications, and engaging events. We will hold our Annual Give Liberty a Hand (GLAH) on June 8, 2023, with more inspiring events and trainings during the year, which attract law makers, local business leaders and innovators, academics and students, workers and labor unions, and people in all professions; all of which have a stake in seeing Massachusetts lead boldly.

Many voices joined for justice

Your Sponsorship today makes a difference for our immigrant communities!
Stand with immigrants: Sponsor the 2023 “Give Liberty a Hand” Gala

Your investment fuels the aspirations and contributions of the 1.2 million foreign born people who call Massachusetts their home. Send our immigrant communities a powerful message that you and your organization value and believe in them, choose a sponsorship level and let us boost your visibility!.
