

# 100 Days of Harm

**The changes and attempted changes wrought in this 100 days are staggering, including:**

- Attempted to end birthright citizenship
- Terminated Temporary Protected Status early for several countries
- Ended the refugee resettlement program
- Created significantly more obstacles to applying for asylum
- Allowed ICE to enter schools, hospitals, houses of worship and other protected spaces
- Involved the IRS in immigration enforcement
- Created a registration mechanism for immigrants, targeting undocumented immigrants for immigration enforcement
- Ended the CHNV and CBPOne programs/terminated parole status
