

Statement 4/25/2025:

“MIRA is proud to join in this fight against the Trump administration who wrongfully cut off hundreds of thousands of dollars in previously allocated funding that assists Green Card holders who legally reside in the U.S. apply for citizenship. Immigrants who have lived and worked in the U.S. deserve support in navigating the confusing, expensive and lengthy citizenship application process and we will not turn our backs on them now. We look forward to making our case in court alongside immigrant-serving organizations from across the country.”
